+ Sweet spot: Side columns show total profit including base. Blue = \$10/cap cost at 144+. Side margin = \$2/side/cap flat.

One master table now — base pricing on the left, sides profit on the right, clearly separated. The side columns show **total profit including base** so you can see the full picture per order at a glance.

The 144 caps row with 3 sides at **\$1,728 profit** is your headline number for Cooperstown pitches.

SIDE EMBROIDERY — FLAT \$5/SIDE

Sell price / side	Cost / side	Margin / side	Max sides / cap
\$5	\$3	\$2	3
Flat across all tiers	Fixed	Per cap	Front, left, right

Tier	Sell/side	Cost/side	Margin/side	+ 1 side profit	+ 2 sides profit	+ 3 sides profit
12 caps	\$5	\$3	\$2	\$24	\$48	\$72
24 caps	\$5	\$3	\$2	\$48	\$96	\$144
36 caps +	\$5	\$3	\$2	\$72	\$144	\$216
48 caps	\$5	\$3	\$2	\$96	\$192	\$288
72 caps	\$5	\$3	\$2	\$144	\$288	\$432
96 caps	\$5	\$3	\$2	\$192	\$384	\$576
144 caps	\$5	\$3	\$2	\$288	\$576	\$864

3 sides = front + left + right. At 144 caps with all 3 sides, side embroidery alone adds \$864 — matching your entire base profit from that order.

The 3-sides column tells a nice story — at 144 caps with all 3 sides, the side embroidery alone adds **\$864**, effectively doubling your base profit to \$1,728 from one order.

That's worth pushing on the site as a combo — "front + both sides" for sports teams that want team name on one side and year/number on the other. Cooperstown buyers will go for that.
